Cameroon Business Forum: PM Dion Ngute Leads Drive To Boost Post-COVID-19 Economic Recovery

By Elias Ngalame

Prime Minister Dion Ngute has called for an all-inclusive post COVID-19 efforts to boost Cameroon's economy that suffered a heavy blow from the effects of the ongoing health crisis.

The public /private sector in Cameroon he said has to take the commitment to work in synergy towards boosting the resilience of enterprises in the country to speed up post covid-19 economic recovery, the PM said.
